# School Prayer

Our God, who has brought us together as a family  
and has taught us to serve others,  
Help us to realise our responsibilities and to serve  
our school and all people.

May nothing we do or say tarnish our school's  
good name and may loyalty, trust, and  
respect be part of our lives wherever we are and  
whoever we are with.

May the love of all that is good and honest grow  
and develop.

Help us to remember, in all that we learn, that the  
things of real value are those that  
bring us closer to you.

This we ask in the name of Jesus Christ, our Lord.

Amen
