

# Timings of the school day

## The school day

The timings of our school day are easy to remember. We have 5 lessons each lasting 1 hour. There is a break in the morning when you can go to the refectory for something to eat if you want. Lunchtime lasts for 45 minutes which gives you time to eat as well as spending time with your friends. The school day ends at 3pm.

*Q: Will the school day be different?*

A: In the school day you will have time with your Form Tutor, and then 5 lessons, usually with different teachers. You will still get break and lunchtimes. Your lessons are an hour long and your teacher will tell you very clearly what you are expected to do.

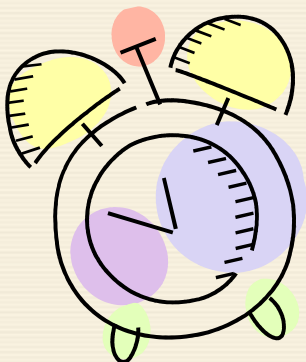

**HINT: You will get the hang of the day really quickly!**

## Break and lunchtimes

*Q: I'm worried that I won't know where to go at break times.*

A: You must eat in the refectory even if you bring your own packed lunch. There is a rota which tells you which year goes in first each week. There are lots of clubs to attend, a library (LRC) where you can read or get started on your homework, and many areas where you can hang out and chat with your friends.

**HINT: If you are a bit worried during break time, speak to a Peer Mentor or a teacher and they will suggest places for you to go.**
