

# School dinners

## School Dinners

You can buy food from our school refectory or you may bring a packed lunch from home. All food must be eaten in the refectory and we have a rota as to which year group goes in first. For the first 2 weeks Year 7s go in first so you get used to the routine.

### Q: How do I pay for my dinner?

A: When you come on the pre-start half day in September, we take your thumbprint so that you can use the thumbprint scanner on our Refectory tills. Using your thumb means you do not have to worry about losing a lunch card or money and going through the tills is much quicker.

Parents can put money on your account over the internet through our ParentPay system - they can also see what you've been buying!

### Q: How much do I need?

A: About £2.50 will buy you a good meal

### Q: Can I sit with my friends?

A: Of course you can! It is good to sit down, chat and eat with your friends.

We are very proud of our Refectory where there is a wide choice of tasty, healthy meals and snacks available every day.

Here is a typical daily menu:  
(2013 prices)

### Example Lunch Menu

<b>SALAD BUFFET</b>	
A selection of quiche, ham, salmon, prawns, pastries (sausage roll, vol au vent) with a choice of green salad items, coleslaw etc.	£1.55
