Schools

1 Introduction

This is a successful school and every child plays their part in making it so. We aim for an environment which enables and encourages all students to achieve their potential and aspire to excellence.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and every child should be at school, on time, every day the school is open unless they have an unavoidable reason to be absent. Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning.

Absence or late arrival also disrupts teaching routines and so may affect the learning of others in the same class.

Government research shows a direct link between attendance and attainment and good attenders also make better progress socially, learn to work with others, and are better prepared for the transition to higher education, training or employment.

It is very important therefore that you make sure that your child attends regularly and this policy sets out how together we will achieve this.

Our attendance target this year is 97%, but all students should strive to achieve 100% attendance if they can.

2 Responsibilities and expectations

2.1 Families

Parents and carers have a legal duty to ensure that their children attend school regularly, if they are of compulsory school age and registered at a school (see appendix for details of how the law applies to school attendance and how "parent" is defined in law).

Parents and students should know the times the school day starts and finishes and when the register closes (see section 4, below); the processes for requesting leave (see section 3.4, below); and the process for informing school of the reason for unexpected absence (as follows).

If your child is going to be absent, parents must inform school as soon as possible and, at the latest, by 9am on each day of absence via the School Synergy app, or by calling school on 01253 810504.

Parents must also ensure that school has up-to-date contact information for themselves and emergency contacts.

The responsibility for attendance lies with the parent. Students' responsibilities depend upon their age, maturity and capability but they too must do their best to attend school regularly and punctually.

School contact information for other attendance-related matters is given below at the end of section 2.2.

2.2 School

Head Teacher

- Ensure there are designated staff with day-to-day responsibility for attendance matters and protected time allocated to discharge those responsibilities.
- Take overall responsibility for ensuring the school confirms to statutory requirements regarding attendance.
- Consider each request for leave against the school's criteria, decide whether some, all, or none of the leave will be authorised-
- Where there is uncertainty regarding an absence, make the decision whether or not to authorise an absence, or to request further evidence to support the decision-making process.
- Provide regular reports to the governing body on school attendance, including persistent absence and vulnerable groups.

Senior Attendance Champion

- Take overall responsibility for championing and improving attendance in school, liaising with pupils, parents and external agencies where needed.
- Set a clear vision for improving and maintaining good attendance.
- Establish and maintain effective systems for tackling absence and make sure they are followed by all staff
- Have a comprehensive understanding of attendance data.
- Use attendance data to target attendance improvement efforts and support to the pupils or pupil cohorts who need it most.
- Regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes.
- Regularly communicate pupil attendance and punctuality levels to parents.

Other staff with designated responsibilities for attendance

- First day response: send Synergy alert via text, email and Synergy app if a reason for absence has not been provided and record this information accordingly.
- Call contacts and conduct home visits to establish why students are absent.
- Update attendance registers.
- Regularly monitor and analyse data to identify individual students and whole school attendance concerns and to target attendance improvement support for those who need it most, particularly vulnerable groups.
- Liaise with the local authority regarding necessary penalty notices and prosecutions.

- Work with children and parents to remove barriers to regular and punctual attendance, using parenting contracts where appropriate.
- Involve external agencies to support children and parents as appropriate to better understand and address the issues causing attendance concerns.
- Promote regular attendance through the attendance newsletter and displays and ensure the school's attendance policy is readily accessible.
- Use projects and strategies to improve attendance and punctuality for individuals, form groups or the whole school (eg incentive and reward schemes, certificates, weekly attendance & rewards PowerPoint).

All school staff

- Provide a welcoming atmosphere for children and a safe learning environment, particularly for those returning to school following a period of absence.
- Be aware of factors that can contribute to poor attendance and punctuality.
- Recognise that absence is a symptom of other issues impacting a pupil's welfare and can be a warning sign of safeguarding concerns.
- Adhere to the procedures in place within school to promote good attendance.
- Promote the link between attendance and educational attainment to students and parents.
- Complete attendance registers in accordance with the legislation and under the direction of the head teacher.
- Discuss attendance concerns at an early stage with students and parents.
- Raise any concerns about attendance with the attendance lead, Senior Attendance Champion and/or head teacher.

Governors

- Ensure compliance with The School Attendance (Pupil Registration) (England) Regulations 2024.
- Agree an attendance policy and review it annually.
- Agree targets for attendance at Saint Aidan's.
- Where the school is not meeting its attendance targets, or when the governors believe there is cause for concern, instigate a review of school's attendance procedures.
- Authorise the head teacher (or other designated person) to make decisions regarding leave of absence requests.
- Work with the head teacher in establishing equitable and consistent criteria against which leave requests will be considered.

Schools are bound by a range of attendance legislation and guidance; please see the appendix for further details.

School attendance contacts

- Contact for parents to notify school of a student's absence: Mrs D Keehan (Attendance and Family Liaison Team).
- Contacts for day to day enquiries about attendance: Mrs D Keehan, Mrs S Pendlebury (Attendance and Family Liaison Team).
- Support for specific and more serious attendance concerns: Mrs D Keehan, Mrs S Pendlebury (Attendance and Family Liaison Team) or the relevant Head of Year.
- Senior Attendance Champion, the senior leader responsible for the strategic approach to attendance in school: Mr D Eccles (Assistant Headteacher).
- The staff named above can be contacted on 01253 810504.

2.3 Lancashire County Council (the local authority)

School Attendance Support Team

Each school has a named contact in the School Attendance Support Team who can advise schools on attendance related matters, and with whom Targeting Support Meetings will be held. For mainstream nursery, primary and secondary schools this will be a School Attendance Support Worker (SASW); for special schools, short stay schools and pupil referral units (PRUs) this will be a School Attendance Consultant (SAC).

School Attendance Legal Team (SALT)

Following requests from schools for legal interventions when parents fail to ensure their children attend regularly, the School Attendance Legal Team undertakes enforcement processes, including penalty notices, prosecutions, parenting orders, education supervision orders and school attendance orders.

Children Missing Education (CME) Team

The Children Missing Education Team ensures the local authority fulfils its statutory duty to identify children in their area who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. For further information see section 7, below, regarding notifications schools must submit.

3 Types of absence

Every half-day absence from school is classified by the school as either authorised or unauthorised. This is why information about the cause of any absence is always required from parents/carers. As a school, we will always work with parents (and other agencies, as appropriate) to understand the reasons underlying absence.

3.1 Authorised absences

Authorised absences are mornings or afternoons away from school for a good reason like illness or medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable causes or exceptional circumstances.

3.2 Unauthorised absences

Unauthorised absences are those which the school does not consider reasonable or justifiable. If school has followed its attendance procedures and a student continues to have unauthorised absences, the school may see seek advice from the local authority School Attendance Support Team or request legal interventions from the School Attendance Legal Team. Examples of unauthorised absences are:

- Parents/carers keeping children off school unnecessarily.
- Absences which are not explained satisfactorily.
- Children who arrive at school after the register has closed and without a legitimate reason (see section 4.2).
- Days off for shopping, birthdays or looking after other children.
- Day trips and holidays in term time which have not been agreed by the head teacher.
- Days that exceed the amount of leave agreed by the head teacher.

It is the head teacher's responsibility to decide if an absence is authorised or unauthorised. Hence, if there is any ambiguity relating to an absence, school may request further evidence from parents before an absence is authorised. This may be in the form of:

- Sight of an appointment for your GP or for the hospital, clinic, etc.
- Sight of prescribed medication or prescription for medication.
- Sight of medical notes/records.
- A letter from a medical professional such as a specialist or consultant.
- School's medical evidence slip, authorised by a pharmacist, doctor, receptionist, etc which indicates that you have sought medical advice and outlines your child's medical condition.

Parents should not ask their doctor (GP) to provide "sick notes" to excuse absence.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school for other reasons. If your child is reluctant to attend school, it is better to speak to school as soon as possible to resolve the issue, rather than trying to cover up their absence or giving in to pressure to let them stay at home. As a school, we will always try work with parents (and external agencies as appropriate) to understand and address the reasons behind absence.

3.3 Persistent Absence (PA)

Persistent absence is when a child misses 10% or more of their schooling across the school year for whatever reason, authorised and unauthorised (including illness, exclusion, holiday, etc). Absence at this level will damage any child's educational prospects and we expect parents' fullest support and co-operation to address this.

At Saint Aidan's, we monitor all absence thoroughly, therefore any student whose attendance indicates they are likely to reach the PA threshold will be prioritised and parents will be informed of this promptly. Students who are persistently absentees are tracked and monitored carefully and the attendance procedures below (section 5) will be followed.

3.4 Leave during term time

By law, maintained schools cannot authorise any leave in term time other than in exceptional circumstances. Taking a child out of school in term time will affect their education and progress as much as any other absence. If leave is being requested that involves arranging travel or accommodation, approval should be obtained from the head teacher before making any bookings.

Leave of absence in term time **will not** be granted unless:

- a request for leave has been made in advance by a parent with whom the student normally resides (either in writing or via email) **and**
- the head teacher considers that leave of absence should be granted due to the **exceptional circumstances** relating to the request.

Due to the need to evidence exceptional circumstances, parents are advised to provide school with any relevant information regarding their request at the point of application if they believe the circumstances are exceptional.

In considering the request school will also consider other factors such as:

- The timing of the requested leave, eg when a student is just starting at school or during assessment periods, such as GCSEs.
- A student's attendance record already includes unauthorised absence.
- Attendance is already a concern, or could become a concern, as a result of taking leave.
- Other periods of leave which the student may have had, either during the current or previous academic year.

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may attract legal sanctions such as a penalty notice.

In certain circumstances, as outlined in regulation, parents risk losing their child's place on the school roll if leave is taken and the criteria governing removal from roll are met (see appendix).

3.5 Religious absence

School will authorise one day of absence per religious festival, eg Eid, and this will be marked as code R in the register. The day authorised will be that set aside by the religious body of which the parent is a member.

Parents must request any additional leave in advance and this can only be authorised if the head teacher agrees that exceptional circumstances apply; this would be marked in the register as code C.

3.6 Participation in sporting events

Parents can request leave of absence for their child to take part in regional, national and international sporting events. However, as always, granting leave is at the head teacher's discretion and he will need to discuss with you the length and frequency of the absence(s) requested and how learning will continue if absence occurs, eg the sports club or association providing an approved education tutor.

Leave for a sporting activity that has been approved by the school and supervised by someone authorised by the school can be marked in the register as code P.

Permission for your child to leave early or arrive late in order to attend coaching and training sessions is also at the discretion of the head teacher and is unlikely to be approved if it would occur regularly.

3.7 Participation in performances (eg theatre, television, modelling)

Parents of a child performer can request leave from school for their child to take part in a performance. A local authority licence must be obtained before a child can take part in a performance. Before a licence is granted, school will be consulted and head teachers must be satisfied that the leave will not have a negative effect on the child's education.

Where the licence specifies the dates that the child is to be away from school, the head teacher should authorise those days. However, where the licence does not specify dates, it is at the discretion of the head teacher to authorise the leave request. Any absence authorised for the child to take part in a performance will be recorded as code C1.

Parents wishing to apply for a performance licence should go to the Lancashire County Council [Child performance licences webpage](#).

4 Registration

4.1 Attendance registration

Morning registration is at 8.35am .

Afternoon registration is at 12:20pm.

The school day starts at 8.35am. Students are expected to be on the premises at that time and that is when the registration period starts (ie when the register is taken and remains open).

When the attendance register has been taken it remains open until 9.00am in the morning and 12:50pm in the afternoon.

School finishes at 3.00pm.

4.2 Late arrival

Students who arrive after 9.00am (or 12:50pm) must go straight to the school office at the main entrance to sign in and give a reason for their lateness.

Students who arrive after the register has been taken (8.35am or 12:20pm) but before it is closed (9.00am or 12:50pm), will be marked as code L. This is classed as late but present for the session (ie the morning or afternoon).

Students who arrive after the register has closed and without a valid reason for being late (such as attending a dental or medical appointment) will be marked as code U, which is classed as an unauthorised absence but indicates that the student was physically present in school for part of the session.

4.3 Punctuality

Poor punctuality is not acceptable. If your child misses the start of the day, they can miss work and do not spend time with their form teacher getting important news and information for the day. Students arriving late also disrupt lessons, which can be embarrassing for the child and can in turn, encourage absence. Being 10 minutes late every day throughout the academic year is the same as missing two weeks of school.

If your child is often late you may be asked to meet with their Head of Year and a member of the Attendance Team to discuss ways to improve punctuality, but you can approach us at any time if you are having problems getting your child to school on time. This may trigger interventions such as a late report.

Persistent lateness after the register has closed may result in further action, as outlined below, under section 5.

5 School attendance procedures

5.1 First day of absence

If your child is absent and we have not heard from you, we will send an alert to the first priority contact of the child via email, text and the Synergy portal. If we do not receive any communication from you, we may approach your emergency contacts and, if necessary, make a home visit. Please note that such home visits may be unannounced.

5.2 Attendance concerns

Parents are expected to contact school at an early stage and to work with us in resolving any attendance problems together; this is nearly always successful. However, if concerns persist, school will use the following procedures and interventions, as required, to support parents in improving their child's attendance and/or punctuality:

- Telephone calls and/or letters to make parents aware of school's concern about their child's attendance.
- When there is uncertainty about the reason for absence, school may ask parents to provide appropriate evidence and/or undertake home visits to ascertain where a child is and to ensure they are safe.
- Invitation to meetings to discuss concerns with our attendance officer, heads of year and/or head teacher.
- Attendance contracts to identify barriers to regular attendance, ways to overcome these and agree targets for improvement.
- Incentive and reward schemes for individual students, if appropriate.
- The Early Help Assessment (EHA) process and/or referral to other agencies and services, including School Nurses and Primary Mental Health Workers, if appropriate.
- For unauthorised absences, request legal interventions by the local authority, such as penalty notices, prosecution or other attendance-related court orders.

At any stage, we may seek advice from our School Attendance Consultant.

5.3 Students with medical needs who have difficulty attending school

Government guidance on supporting students at school with medical conditions (see appendix) emphasises the role of governing bodies in ensuring that students with medical conditions are able to fully access education in the same way as other students. A key element of this responsibility is reducing the amount of time missed by these students, whether their condition is short or long term.

School will work with parents and other relevant professionals to minimise absence for reasons of ill health. This may be in the form of specific support or resources used within school or by sourcing appropriate provision at another establishment. When education is to be provided at an alternative location, this should always be done via the use of a direction (please see section 6, below).

When a student has been absent from school for an extended period, the head teacher, the form tutor, the head of year and other support services will work with the family to ensure that a smooth reintegration is achieved.

5.4 Students refusing to attend school

At Saint Aidan's, we believe that every child has a right to a full-time education, and we would not accept "school refusal" as a reason for non-attendance. In such cases, we will work with parents to identify the reasons why a child may be reluctant to attend school. We may, with consent, make referrals to external partners such as the Children and Family Wellbeing Service, Primary Mental Health Workers, etc, as appropriate to try to ensure the correct support is secured for the child and their family.

5.5 Promotion of good attendance

School will promote and incentivise attendance by acknowledging and rewarding good attendance by all students and efforts to improve attendance by individual students who have additional needs or challenging circumstances.

5.6 Use of penalty notices

Legal interventions may be sought if providing support to improve attendance is not appropriate (eg for an unauthorised holiday in term time), or has not been successful or engaged with. In accordance with the Lancashire code of conduct, we may request that the local authority issue penalty notices for unauthorised absences that include:

- Leave of absence which is taken without a prior request being made.
- Leave taken after a request has been declined.
- Days taken in excess of an agreed period of leave, without good reason.
- Other unauthorised absence that meets the required threshold, including sessions marked as late after the register has closed (code U).

On 19 August 2024 new penalty notice arrangements came into force, with changes to the cost of a penalty notice and to the thresholds at which penalty notices may be requested by school. The DfE now requires that schools must consider if a penalty notice is appropriate when the thresholds are met. The changes to be aware of are:

- Penalty notices issued for offences that take place after 19 August 2024 will be charged at £160 per parent per child. This will reduce to £80 if paid within 21 days.
- Any second penalty notice issued to the same parent for the same child within a rolling 3-year period will be issued at the rate of £160 to be paid within 28 days with no option for a discounted rate.
- The threshold at which a penalty notice must be considered is set at 10 sessions (equivalent to 5 days) of unauthorised absence within a rolling 10-school week period. This may include absences as a result of arriving late after the register closes. The 10 school weeks may span different terms or consecutive school years.
- A maximum of two penalty notices may be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) another

course of action will need to be considered (such as prosecution or one of the other attendance legal interventions).

- If a school requests a penalty notice for absences other than unauthorised holidays, including being late after the register has closed, the local authority School Attendance Legal Team may issue a Notice to Improve to parents. A Notice to Improve is a final opportunity for parents to engage in support and improve attendance before a penalty notice is issued. If the national threshold has been met and offers of support have not been engaged with by parents or have not worked, a Notice to Improve may be issued to give parents a final chance to engage with support and improve their child's attendance.

The code of conduct for penalty notices and information and FAQs for parents can be found on the Lancashire County Council education penalty notice webpage.

6 Alternative provision and use of directions

There is a range of circumstances when students might be required to access educational provision at a venue other than their main school. The main reasons are:

- Students who have been excluded, either for a fixed period of more than 5 days or permanently.
- Students unable to access provision at their main school for medical reasons.
- Students required to attend another venue for the purpose of improving behaviour, either on a temporary basis or with a view to making a permanent move to the alternative provision (via a managed move).

When a student is required to attend alternative provision for the purposes of improving behaviour, the governors of the main school must issue a written direction or notice informing all parents of the alternative provision which their child is required to attend. Where a student is required to attend alternative provision for other reasons, the issuing of a written direction is considered best practice.

7 Notifications school must submit to the local authority

7.1 Admissions

All schools must notify the local authority within five days of adding a student's name to the admission register and must provide the local authority with all the information held within the admission register about the student. This duty does not apply to students who are added to the admission register at the start of the school's youngest year unless the local authority also requests for such information to be provided (currently Lancashire does not).

7.2 Leavers

All schools must notify the local authority when a student's name is to be deleted from the admission register under any of the grounds prescribed in Regulation 9 of The School Attendance (Pupil Registration) (England) Regulations 2024, as soon as the ground for removal is met and no later than the time at which the student's name is removed from the register. This duty does not apply where the student's name is removed after they have completed the school's final year, unless the local authority requests for such information to be provided (Lancashire currently does not).

Where a school notifies a local authority that a student's name is to be deleted from the admission register, the school must provide the local authority with the required information as laid out in regulation.

In addition to submitting a notification about removal from roll, some circumstances also require school to make referral to other local authority teams such as the Elective Home Education team or the Children Missing Education team. Schools may also contact their School Attendance Consultant for advice on removing children from roll.

7.3 Students who fail to attend

All schools (including academies) must inform the local authority of any student who fails to attend school regularly or has been absent without the school's permission for a continuous period of 10 days or more. In Lancashire schools, this can be done via a variety of means and school can contact the School Attendance Support Team for further advice.

7.4 Pupils on a part-time timetable

Schools must also inform the local authority when a pupil is placed on a part-time timetable. In Lancashire, this should be done via the appropriate form available to schools.

7.5 Children missing education (CME)

Local authorities have a duty to put in place arrangements for identifying (as far as possible) those children of compulsory school age in their area who are not school registered or receiving suitable education otherwise than at a school. Local authorities should trace those children and ensure they receive a full-time education.

If a student has stopped attending and her or his location is unknown, schools must make reasonable enquiries to establish the whereabouts of the child jointly with the local authority, before deleting the student's name from the register. In such cases, school should undertake a home visit, prior to a referral being made to the local authority Children Missing Education team.

Appendix: School attendance and the law

There are many pieces of legislation and government regulations and guidance that are relevant to school attendance and to children and their parents and carers. The list below relates to this attendance policy but is not exhaustive.

Parents and carers

Duty to ensure children receive education

Section 7 of the Education Act 1996 covers the duty of parents to secure the education of children in their care who are of compulsory school age and states:

The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable—

- (a) to his age, ability and aptitude, and*
- (b) to any special educational needs he may have, either by regular attendance at school or otherwise.*

Offence if a child does not attend regularly

Under Section 444 of the Education Act 1996, if a child of compulsory school age who is a registered pupil at a school fails to attend regularly, their parent is guilty of an offence.

The offence is absolute as the only defences available to the parent are those statutory defences listed within that section of the Act, ie:

- the child was absent with leave granted by the school;
- the child was prevented from attending by reason of sickness or any unavoidable cause;
- absence was on a day exclusively set apart for religious observance by the religious body to which their parent belongs;
- that the school is not within statutory walking distance and that the local education authority has made no suitable transport arrangements or enabled the pupil to become registered at an alternative nearer school.

Compulsory school age

Section 8 of the Education Act 1996 establishes that a child becomes of compulsory school age on the start date of the term following her/his fifth birthday, or that day if her/his fifth birthday falls on the day term starts.

A child ceases to be of compulsory school age on the last Friday in June in the academic year in which he/she reaches the age of 16 or if he/she reaches 16 after the last Friday in June but before the start of the new school year.

Legal definition of "parent" in relation to attendance

The law requires that all “parents” are held responsible for their child’s attendance. This definition can include any person who has care of the child. Section 576 of the Education Act 1996 states:

Meaning of “parent”.

(1) In this Act, unless the context otherwise requires, “parent”, in relation to a child or young person, includes any person—

(a) who is not a parent of his but who has parental responsibility for him, or

(b) who has care of him.

Thus, the definition of “parent” means all natural parents, whether they are married or not, and includes any person who, although not a natural parent, has parental responsibility and/or care for a child or young person.

Schools

Attendance and absence registration codes

Working together to improve school attendance, DfE statutory guidance 2024, explains which codes schools should use to record attendance and absence in their registers, and specifies the DfE's expectations of schools and local authorities with respect to school attendance.
